"Peter Pan" The Plant Man FRANKLIN, VIRGINIA

Dear Customer:

You are one of our most valued customers . . . and it has been our privilege to serve you for many years. May we take this opportunity to express our sincere appreciation to you for the business you have so kindly given us. We do not have the opportunity of conveying our thanks to you individually, but you may be sure, we are constantly aware of your interest and are ever mindful that the most important things in a plant business are:

Confidence in the integrity of the people who manage it and the plants offered its customers. This plant company was built on honor by its original Co-Owners and Managers, and will be so maintained. Between the customer and the management, there is more to be desired than mere selling; an abiding friendship is valued far above profit. A continuance of this pleasant relationship is our goal . . . and we shall always strive to merit your Good Will and be favored with your orders for your needs in cabbage, onion, pepper, tomato, potato and cauliflower plants. Tell your friends about our plant company, too, and get them to order from us. This will be appreciated. We will be glad to send you extra Price Lists for them, or if you will send us their names and addresses, we will send them one.
